Authorization Letter

We hereby declare that the company

NIKOLAB
Leninskaya Sloboda 26/28
115280 Moscow
RUSSIA

is our authorized distributor for sales in Russia. Their staff is trained by us for sales and they continuously get all information required about our products. We provide full support to NIKOLAB for any warranty work being required on products from BANDELIN and sold through NIKOLAB and they provide to all customers necessary warranty work in Russia.

For ultrasonic baths SONOREX SUPER, SONOREX DIGITEC, SONOREX DIGIPLUS and ultrasonic homogenizers SONOPULS produced by BANDELIN and shipped to Russia through any other channel or through third parties we only provide warranty on faulty parts which are sent to us for replacement free of charge without any shipping costs.

Please acknowledge that this information is to protect our end users against any loss of their warranty rights by choosing purchasing sources not authorized for sales in Russia.

This authorization is valid until 31st December 2021.

Sincerely
